SPRING SIGNS

If boats are being launched and rigged in the rain, if baseball backstops are receiving TLC, can Spring be far behind? In the cold wet of Saturday morning the pleasure craft of summer slides into the harbor as on our cover. Above, another is rigged at Long Wharf by figures in foul weather gear.

Above, at Center School playground the backstop of the baseball diamond is prepared for the season by volunteers.

KETCHAM HELPS CATCHUM

Thanks to the generosity of Mr. Bob Ketcham, owner of Ketcham Lobster Traps, members of the Capeway Softball League installed new wire on the backstop at Center School. The wire, furnished at cost, is a heavy gauge vinyl coated steel and should last for years. Mr. Ketcham loaned the equipment and donated the materials, and members of the League gave their time and labor. Pictured on the staging are Dana Barrows, Dickie Barrows, Mark Hartley, George Randall and Brad Barrows. Chuck Arenberg was not present at the time the picture was taken.

crease in operating expenses of the town. Local and regional schools have been provided with an overall 6.4 percent increase. Other recommendations reflect increases other than those being considered for override. We, therefore, urge the voters of our town to exercise caution in voting for increases over those recommended, as such increases would have to be offset by corresponding decreases in other areas."

This comment by the Finance Committee and the following comments are being printed in the town warrant, and was announced by Richard Gamache, chairman pro-tem of the Finance Committee. He noted there will be about 45 articles.

"The Mattapoisett Finance Committee has reviewed the Fiscal 1988 budgets of all departments, school boards and the committees. Pursuant to State Law (Proposition 2½), Mattapoisett may increase its tax levy for 1987 by a limited amount without an override by the voters. At the Fiscal year 1987 annual meeting voters authorized a review and re-evaluation of the salary and wage

structure of town employees. In most instances, the Personnel Board has accepted the job descriptions and wage classifications of the outside consultants. These recommendations have been included in our fiscal 1988 budgets."

In other business, Selectmen:

ANNOUNCED WRITTEN APPLICATIONS are being sought by the Board from any resident interested in serving as a volunteer on the Finance Committee. Letters should be addressed to the Selectmen's office within the next two weeks. Two slots need to be filled.

WERE NOTIFIED of an Old Colony Vocational School Regionalization Study Sub-Committee meeting on April 29th at 7:30 p.m. in the Old Colony Conference room. Selectman William F. Hubbard will represent the Board. The subject concerns the Lakeville School System that is seeking the probability of joining the Old Colony Regional Vocational District for their vocational students.

WILL CONCUR with Police Chief James F. Moran's action regarding the request of the Police Brotherhood to change the summer uniform for the department. The request came in a letter from Officer Joseph "Skip" Faulkner, president of the Brotherhood.

The Chief advised he has no problem with the Brotherhood's request. The reasons given for the request include: at public functions or details, frequently "we are not recognized or do not stand out as a police officer. Many of the officers have been asked 'are you a police officer?' by a citizen looking for assistance. They do not associate the brown uniform with police." 2. The legislature's enactment of law whereby security personnel can no longer wear uniforms resembling that of police officers. Some security firms, such as the firm responsible for providing security for the nuclear power plant, wear the brown uniforms.

The third reason - The brown uni-

forms do not maintain the crisp, clean appearance. Appearance being the first introduction the public has to the officer usually makes an impression and often determines the citizen's reaction to the officer. Finally, the New Bedford Animal Rescue League has adopted the exact same brown uniform that the police wear.

The new uniform suggested includes maintaining the dark blue pants and possibly adding a strip to them; the shirt - some shade of blue; the hat, blue round style, blue baseball hat or blue campaign hat.

FILED AND TOOK NO ACTION at this time on a letter from Mr. Paul Rowe of Lexington regarding the town's consideration for out-of-towners wishing to sailboard in Mattapoisett Harbor.

On July 29, 1986, Selectmen voted to restrict sailboarding for out-of-town residents until Labor Day (1986) from Ned's Point Beach and Park. This restriction was placed for that year only and will be reconsidered again this summer to determine what action should be taken.

Mr. Rowe wrote, "I am grateful to the Town of Mattapoisett for allowing me to launch my sailboard from Ned's Point for the last two summers. I and my fellow boardsailors have tried our best to act responsibly while guests in your town. Just as I welcome the many sightseers who visit the historical landmarks in Lexington, I hope you will continue to welcome boardsailors in Mattapoisett.

However, I can understand that at some point the town may decide to restrict the growth of boardsailing at Ned's Point."

He further wrote, "If you decide to restrict access, I hope you will consider a fee or permit process for out-of-towners rather than an outright ban for non-residents. I, for example, would gladly pay $200. per year to help pay for the upkeep of Ned's Point. Consider, that only 50 to 100 such permits would give Mattapoisett $10,000 to $20,000 per year for such worthy causes as harbor improvements."

REAPPOINTED William B. Keavy as Mattapoisett's representative to the Old Colony Regional District School Committee. In accordance with the law, a representative is chosen by the Town Moderator (R. William Blasdale) and the Mattapoisett School Committee (Maureen Best, Chairman), and the Selectmen who vote for the representative. Keavy asked to be considered for reappointment.

or as an alternate to the Board of Appeals until such time as all annual appointments are made.

APPROVED THE CLOSING of certain streets for a short period of time on May 31st for a Parent-Teachers' Club sponsored road race, with the understanding the Police Department also approves and that there be an officer on duty during the race.

Mrs. Mary Ann Amoruso of the PTC said the event will take place from 1 to 3 p.m., but the roads won't be closed all that time. Closed will be the corner of Church and Baptist Streets, Hammond and Mechanic Streets. Mrs. Amoruso said the "Everyone's Mile Race" is for all ages and proceeds will benefit the Center School Playground Improvement Committee.

keep Selectmen informed.

Chairman John DeCosta said the process of having it done through the State Department of Correction is expensive. He said, however, that the Plymouth County Registry of Deeds does microfilming for the County, and, if Mattapoisett could acquire these services, a person could be put on the county's equipment full-time at a more reasonable rate.

To Mattapoisett Voters:

FROM THE FINANCE COMMITTEE

At the Annual Town Meeting and a Special Town Election you will be asked to vote on override questions. Under Proposition 2½ your town can raise approximately $97,000 over the previous year's levy. If we vote to raise more than this amount, we can raise an additional $97,000 on a majority vote at a Special Election. Greater than a $97,000 override requires a two-thirds vote at a Special Election.

The second form of override is Debt Exclusion. Debt Exclusion is passed outside of Proposition 2½ and is added to the tax rate each year until the debt is paid. Each item is voted separately and requires a majority vote at a Special Election.

If you need a loan,

we've got your number.

999-7000

Cars, boats, vacations, home improvement, you name the reason! If you have the need for a personal loan, Fairhaven Savings Bank has the money to lend.

Just call our Loan Phone Monday through Thursday from 8 am to 5 pm, and Friday from 8 am to 6 pm. You can apply for a loan for any good reason right over the phone. And in most cases, you'll get your answer in just 24 hours.

Call us today, at 999-7000. You'll find out how we're listening hard to what you want in a personal loan. And working even harder to deliver.

The Finance Committee has included several articles in the Town Warrant that will necessitate an override if they are passed. We have included the approximate effect on your tax rate if a one-time override is voted. For major expenditures, that would be voted as a debt exclusion, we have included the average effect on your tax rate for the term of the debt. All articles presented are eligible for either form of override, except where indicated. A brief description of each article and the allowable override follows:

****

ARTICLE #23 - CENTER SCHOOL BOILERS COST, $152,900

The school boilers are at a point where they could break down at any moment, major renovations are not feasible, and a breakdown could leave part of the school without heat for an extended period of time. An override on this article would add $0.61/$1,000 to your tax rate.

ARTICLE #24 - SEWER PLANT EXPANSION COST, $450,000

Under Debt Exclusion, $0.03/$1,000 would be added to your tax rate in the first year. The financing agreement would add $0.89/$1,000 in the

Now available.....Limited edition hand signed and numbered prints of the Mattapoisett Waterfront.
This collector print is reproduced from the finely detailed pen & ink drawing by local artist Arthur Moniz.
Also available are the other prints of the New Bedford & the Fairhaven Waterfront areas. The sizes of these prints are 15x40.

second year, and an average of $0.12/$1,000 over the next ten (10) years. Based on our review, this would result in the best overall payment schedule for the Town. The Town has entered into an agreement with the Town of Fairhaven for this extra capacity and it appears we must purchase the agreed upon capacity or none at all. We currently use more than our purchased capacity at certain peak times.

ARTICLE #25 - CORROSION CONTROL FACILITY - COST, $142,500

The Corrosion Control Facility would reduce corrosion of our water pipes and is required to be implemented by June 1990. An override on this article would add $0.55/$1,000 to your tax rate.

ARTICLE #27 - POLICE STATION CONSTRUCTION - COST, $600,000.

Projections add $0.08/$1,000 to the tax rate for the first year, and an average of $0.30/$1,000 for the remaining 15 years if debt exclusion is voted.

ARTICLE #39 - WHARF RESTORATION COST, $45,000

The wharf is in need of repair, underfootings are eroded and there is a need to fill under the surface of the pavement. A Proposition 2½

override is the only means of passing this article. This would add $0.17/$1,000 to your tax rate.

ARTICLE #40 - FIRE APPARATUS COST, $160,000

This article replaces a 1964 Fire Engine. Last year we replaced one 1954 engine. The Fire Department is requesting replacement of the second engine because of its current condition and possibility of failure in an emergency. This would add $0.62/$1,000 to your tax rate.

ARTICLE #43 - OLD ROCHESTER REGIONAL HIGH SCHOOL EMERGENCY REPAIRS

Emergency repairs at the regional schools. Our share is $73,095 or 45.12%. The repairs include an elevator, public address system, Library light board, football goal posts, football scoreboard, and repairs to the #2 boiler. An override would add $0.28/$1,000 to your tax rate.

ARTICLE #44 - OLD ROCHESTER REGIONAL DISTRICT REPAIRS

Capital improvements to the regional schools. Mattapoisett's share would be $512,578 or $1.98/$1,000 on your tax rate. Included in this list are items of safety and security, energy retrofit, major site

and building improvements and equipment upgrades.

ARTICLE #45 - MATTAPOISETT PUBLIC SCHOOL REPAIRS - COST, $268,000

Capital expenditures in our local schools which include replacement of windows at Center School ($100,000), roof repairs, painting, intercom system, drapes and blacktop at Old Hammondtown ($138,000), and miscellaneous repairs to both schools for $30,000. An override would add $1.00/$1,000 to your tax rate.

The Finance Committee recommends an override vote for Articles 23, 24, 25, and 27 due to either legal commitment or urgency of replacement. Other items will be left to the discretion of the voters and if not passed, will be submitted for consideration in subsequent years.

Community Guild

HOBBIES BY GUILD MEMBERS

Women's Fellowship, Marion

Tony Pelson, stained glass artist, will be the special speaker at the May 7th meeting of the Women's Fellowship of the First Congregational Church of Marion.

Mr. Pelson will demonstrate the seven steps in the creation of stained glass items. Tony has created replicas of many local landmarks, lighthouses and ships, as well as many one-of-a-kind windows. Tony designed and created the three round stained glass windows in the Mattapoisett Town Hall and presented them as a gift to his hometown.

The program will be presented on Thursday, May 7th, at 7:30 p.m. in the Vestry of the Congregational Church. All members and friends are invited to attend.

Rummage Sale

The annual Rummage Sale of St. Gabriel's Episcopal Church in Marion will be held on Friday, May 1st, from noon to 4:00 p.m., and Saturday, May 2nd, from 10:00 a.m. to noon.

Museum Open House

THIS SUNDAY

Francis Rowland at the Salt Works Model, Clara Morgan in the schoolroom, Priscilla Hathaway at the loom, Ken Watjen at the Axe-Handle machine.

These are just a few of the people who will be on hand this Sunday, May 3rd, for the Mattapoisett Historical Society Members' Day Open House.

This is a special pre-season Open House for anyone who is presently a member, or anyone who might like to know more about the Museum and the Historical Society.

The time is 2 to 4 p.m. Tour the museum, talk to our "docents", have some refreshments, meet our new curator, and learn more about us.

Sippican Historical Society

SLIDE LECTURE

RICHARD A. METHIA SPEAKS TO LIONS CLUB

The guest speaker at the May 5th meeting of the Mattapoisett Lions' Club, to be held at Gaetano's, will be Richard A. Methia.

Mr. Methia, a native of New Bedford, is one of the ten national finalists in NASA's Teachers in Space Project. Mr. Methia and his colleagues were chosen from among 11,000 applicants worldwide who vied for a flight on the shuttle Challenger.

Currently on leave from his teaching duties, Mr. Methia is stationed at NASA Headquarters, Washington, D.C., where he is developing educational projects and participating in a national speaking tour.

Mr. Methia is scheduled to speak at Old Rochester Regional High Shool earlier in the day, through sponsorship of the Lions' Club.

The Lions' Club would like to continue to sponsor speakers and programs for the local school system.

In cooperation with the Mattapoisett Recreation Program, Rochester will again this summer be offering a softball program for girls presently in grades 5-8.

Registration will be Saturday, May 9th, 10 a.m. to 11 a.m. at the Rochester Little League Field. Registration fee is $20. For more information call 763-2007 evenings.

Federal Permit Sought

U.S. ARMY CORPS OF ENGINEERS
PERMIT SOUGHT FOR ROCHESTER WORK

The Massachusetts Department of Environmental Management is seeking permission from the U. S. Army Corps of Engineers to place fill in the Mattapoisett River at Rochester, MA. for the reconstruction of the Snipatuit Road culverts. Three existing culverts would be replaced by one large culvert to accommodate runoff from heavy rainfall and allow better upstream migration of herring.

The applications for the federal

Letter to Editor

"OUT OF TOWNERS" DON'T COUNT

Last year on June 3, 1987 (20 days before the town beach was to officially open) I, Ann Marie Stepanaitis, a Taunton resident and well qualified water safety instructor, was hired unanimously by the town Selectmen to fill the position of beach director for the summer season. Upon being hired I was warned it would not be an easy position to fill as the town of Mattapoisett (not easily accustomed to change) had been used to Mr. Albert Boucher, who had served as director for 31

years. In short, I would most likely be scrutinized on the job, as if under a microscope.

Having completed a safe, successful and clean beach program for the summer of 1986, getting positive feedback from committee members at the end-of-the-season meeting, receiving a written recommendation for my rehiring, and having promptly filled out an application for the '87 season, I was notified Sunday, April 12, 1987 by Recreation Director Barry Haskell via a phone call that the beach director job had been given to another qualified applicant, who resides in Mattapoisett.

I feel I have been unjustly treated in this matter.

I feel no great loss for the position itself, but rather contempt and dismay at the way in which the town of Mattapoisett has tactlessly used and discarded me. It is clear to me, as well as others, that the matter is not who is best qualified

but who is the "best qualified Mattapoisett resident".

Last season, before I even began the position of beach director, I was given high recommendations and as stated in the Sentinel of June 11, 1986, page 3, "was unanimously approved for appointment because while there were several applicants from Mattapoisett, none was considered properly qualified for the job".

Since that time I have added a summer of town beach experience to my qualifications, have received positive input from town officials and various residents, and have become more acquainted with the town itself. So why, I ask, have my qualifications suddenly become insignificant for this summer. Where were the qualified Mattapoisett people last summer when the beach so badly needed them?

As a non-Mattapoisett resident, I believe I proved myself worthy and dedicated to the position to which I was appointed. Much more was accomplished and made safe in my one summer than clearly had been taken care of in previous summers!

In closing, if there is a policy of hiring only townspeople for town positions than stick to it and don't hire "outsiders" any time; if this is not the policy, then be fair to the people who are qualified and deserving!

flower Learning Experience", sponsored by the Garden Club of Buzzards Bay and the Rotch-Jones-Duff House & Garden Museum. The Museum is located at 396 County Street in New Bedford, and the program will occur in the Coachman's House garage situated at the rear of the property. There is no charge to attend.

Information and photos concerning the wildflowers of the region, those that are endangered and what steps to take upon finding endangered species are topics that will be covered in order to heighten public awareness of this irreplaceable resource. Instruction on planting wildflowers will also be covered, so participants will be able to make an active contribution to the preservation of these regional wildflowers.

The Rotch-Jones-Duff House & Garden Museum is a private, non-profit organization and participates in the "Share the Common Wealth" cultural alliance. Please call 997-1401 for further information regarding this program, other events or tours.

Greater New Bedford Choral

SPRING CONCERT MAY 9th

Franz Josef Haydn's "LORD NELSON MASS" will be the featured choral piece sung by The Greater New Bedford Choral Society at its Spring Concert on Saturday, May 9th, at 7:30 p.m. Gerald P. Dyck, Director of the 60 voice Choral Society, will conduct. A chamber orchestra, with Susan Turcotte concertmistress and with Helen Whipple accompanist at the organ for the chorus, provide the instrumental music.

Guest soloists for this performance are all now familiar and welcome voices who have sung for the Choral Society at previous concerts. They are Joanne Mouradjian, soprano; Polly Maynard, alto; Edward G. Doucette, tenor; and Donald Wilkinson, bass.

The program will be divided into three sections. It will open with the Greater New Bedford Choral Society singing a cappella a group of Renaissance songs. The chamber orchestra will provide an interlude of music (a familiar piece that should delight the audience) before the Haydn Mass is presented as the highlight of the evening concert.

The concert will take place in St. Anne's Church, 890 Brock Avenue,

Youth Orchestra

PERFORMS MAY 15

The Southeastern Massachusetts University Youth Orchestra, comprising talented young musicians from throughout the area, will give a concert at 8 p.m. May 15th in the main auditorium, Campus Center.

The orchestra will perform II Signor Bruschino by Rossini, Third Symphony by Schubert and Violin Concerto #3 by Mozart. Concertmaster Leon Hsu, a violinist who also plays with the Dartmouth High School Orchestra, is soloist for the Mozart piece. The newly-formed Wind Ensemble, under the direction of SMU Music Department faculty member Gene Crisafulli, will also present a short piece.

Tickets, priced at $3. for adults and $2. for students, may be purchased from any orchestra member or purchased at the door the evening of the concert. They can also be reserved by calling 999-8898.

The Youth Orchestra, formed in the fall of 1984, is part of SMU's Projects for High Learning Potential. Its members are junior and senior high school musicians from southeastern Massachusetts and Rhode Island. The orchestra provides an opportunity for young musicians to further their skills and encourage one another.

The orchestra members participate in professionally-run rehearsals with Conductor Dr. F. John Adams, who teaches at the New England Conservatory, and sectional coaches. The orchestra also holds several concerts each year.

The orchestra is funded by a special allocation of the Massachusetts Board of Regents of Higher Education, with additional support from individuals, corporate sponsors, and participating schools.

BANK V.P. VISITS OLD COLONY

Old Colony Seniors recently had the opportunity to learn first hand about the world of banking. Mr. Frederick W. Underhill, Jr., Vice President of the Sandwich Cooperative Bank, recently met with Old Colony Seniors enrolling in the school's Consumer Mathematics Courses.

Mr. Underhill provided the students with a perspective of banking through the eyes of a Bank Officer. The presentations were well received by the students. This is the third consecutive year Mr. Underhill has visited classes at Old Colony.

OLD COLONY
TOPS STATE IN SURPLUS ACQUISITIONS

In a report released recently by the State Agency for Surplus Property, Old Colony Regional Vocational Technical High School was listed as the largest recipient of Governmental Surplus Materials in Massachusetts. The report covering the period from October 1977 through June 1986 indicated that Old Colony had acquired Surplus Materials with a government value of $7,166,350.00. Massachusetts Institute of Technology was a close second having acquired $6,941,243.00

Although some of the materials have been used for component parts and materials, it has been of assistance in providing instructional supplies at a fraction of actual retail costs. John T. Oliveira, Superintendent-Director at Old Colony, indicated that ".... it is not a simple task to sift through surplus equipment and supplies ... however the dollar savings and educational benefits are clearly obvious to our member towns, taxpayers, and students." Mr. Oli-

Rosen gained instant recognition in America in 1977 when he won the prestigious Walter W. Naumburg Competition and global recognition in 1978 when he became the first American cellist to win the Tchaikowsky International Competition's Gold Medal. Since that time, audiences throughout the world have had the opportunity to enjoy his performances in recital and with many of the world's greatest orchestras.

At the age of seventeen, Nathaniel Rosen toured the Soviet Union as a finalist in the Third International Tchaikowksy Competition, where he was the youngest competitor among forty-two cellists and one of three Americans to receive a prize. He returned to Moscow twelve years later (1978) and became the first American Gold Medal-Winning instrumentalist since Van Cliburn (1958).

Mr. Rosen made his New York debut in 1970 as winner of the Piatigorsky Award of the New York Violincello Society. As the 1977 Naumburg winner, Mr. Rosen was presented in recital at Alice Tully Hall in both the fall of 1977 and 1978. Other career highlights include two seasons as principal cellist of the Los Angeles Symphony, associations with Music from Marlboro and the popular Monday Evening concerts in Los Angeles, and, while principal cellist of the Los Angeles Chamber Orchestra, he gave the premiere performances of Robert Linn's Fantasia for Cello and Chamber Orchestra, commissioned by Neville Marriner.

New Alchemy Institute

GARDENING WITH YOUR KIDS

On Saturday, May 2nd, parents and children can learn how to enjoy gardening together. The New Alchemy Institute, in the Hatchville section of Falmouth, will hold a workshop entitled "Gardening With Your Kids". Participants will work in the New Alchemy gardens preparing beds, sowing seeds, weeding and making compost. Through hands-on activities, adults and children will discover the wonders, curiosities and lifelong skills that are cultivated through family gardening.

The New Alchemy Institute is located at 237 Hatchville Road in East Falmouth. Fees for the "Gardening With Your Kids" workshop are $10.00 for a parent and child, and $5.00 for each additional person. Judy Salisbury, Coordinator of Children's Programs at New Alchemy will instruct at the 9:00 a.m. to noon workshop.

For further information phone 563-2655.

be offering free skin cancer screening clinics for adults. The clinics are being held in conjunction with National Melanoma/Skin Cancer Detection and Prevention Week sponsored by the American Academy of Dermatology. The free screenings will take place on Tuesday, May 19th, and Thursday, May 21st, from 7 to 9 p.m.

Doctors Arnold Gellman, John McGonigle, Jr., Normand Olivier and Paul Snyder, all physicians who specialize in dermatology, will volunteer their time both evenings to screen people for skin cancer.

Appointments are necessary. To schedule your free screening call 997-1515, extension 2273, on Mondays, Wednesdays or Fridays between the hours of 9:30 and 11:30 a.m. Only 200 appointments can be scheduled.

Persons who notice the following conditions should see a dermatologist or schedule an appointment for the free skin cancer screening clinics:

- A skin growth that appears suddenly or increases in size, and appears partly translucent, tan, brown, black or multi-colored.
- An unusual change in a mole or other pigmented area. Watch especially for changes in color, size, texture, consistency or irregularities in the mole's shape or border.
- A lesion or growth that continues to itch, hurt, crust, scab, ulcerate, erode or bleed.

According to the National Cancer Institute melanoma and other skin cancers affect approximately one in seven Americans, and between 30 and 40% of all cancers diagnosed are

skin cancers. Between 400,000 and 500,000 new cases of skin cancer are reported annually in the U.S. and some 5,000 to 6,000 deaths each year are attributed to skin cancers and malignant melanomas. However, skin cancers can be prevented and, when they do occur, they can almost always be cured, if detected and treated early.

The primary cause for most skin cancers is overexposure to sunlight. To prevent overexposure, the American Academy of Dermatologists advises people to take simple precautions, such as applying suncreens and minimizing skin exposure during peak sun hours.

WAMPANOAG SUMMER CAMPSITE
OPENS AT PLIMOTH PLANTATION MAY 1

Visitors may once again experience an authentic Native American environment when the Wampanoag Summer Campsite at Plimoth Plantation opens on May 1st. Museum staff will discuss the rich and complex culture of the Native people and demonstrate a variety of crafts, foodways and agricultural practices throughout the 1987 season.

Daily demonstrations in the Campsite will reflect the traditional lunar calendar of the Wampanoag.

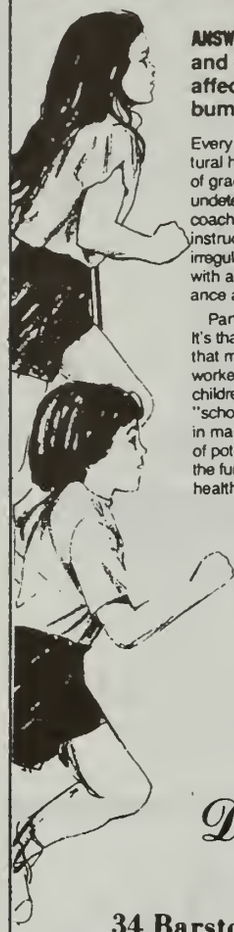
QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?



ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

Isn't Life Worth HEARING?

Do you hear but not understand the words? Is your television turned up too loud for others?

Hearing is a lifetime gift for those who protect it. Why not call today if you or someone you love needs help?

THOMAS REDMOND BARCLAY

OVER TWENTY YEARS SERVING THE HEARING IMPAIRED

267 MAIN STREET, WAREHAM 295-4075

Visitors will learn about an ancient Stone Age culture as they observe native techniques of farming, tool making and firepit cookery. Every Sunday, Tuesday and Thursday special lectures will be offered on topics ranging from native ecology to Wampanoag social customs.

In addition to seasonal activities, a full schedule of special events in the Campsite is planned. The traditional Wampanoag method of preparing a clambake in a stone-lined pit will be demonstrated in an all-day event on June 18th. Children will be spellbound by the Native American folktales related during special storytelling sessions on July 15th, September 16th, and October 7th. During the Corn Feast on August 27th, the first ears of ripe corn will be gathered and prepared according to centuries-old custom. Crafts Day on September 11th will offer in-depth demonstrations of Native American mat weaving, firepit pottery, wood carving, basket making and canoe construction. A Harvest Feast Day will be held on October 29th, just before the site closes for the season.

During the 1987 season the museum will offer various lectures and workshops relating to Wampanoag tradition. "People of the Dawn", a series of lectures on Wampanoag history and lore, will begin on May 19th with a presentation on the Wampanoag use of wampum. Native American craft workshops will include Wampanoag Finger Weaving on May 20th and Native American Basketry on July 17th. To receive a complete calendar of events, workshops and lectures, contact the

Plimoth Plantation is the outdoor living history museum of 17th century Plymouth. Its exhibits include the 1627 Pilgrim Village, a full-scale replica Mayflower II and a seasonal (May-October) Wampanoag Summer Campsite. Located on Warren Avenue (Route 3A), three miles south of downtown Plymouth, the museum is open daily from 9:00 a.m. to 5:00 p.m. April through November.

Multi Media Performance

A multi-media performance in three acts featuring dancers, painted sets and electronic music will be presented, free of charge, at 8 p.m. May 8th in the main auditorium, Campus Center, Southeastern Massachusetts University.

The performance, titled "LIVING Or living?", is the creation of Eugene Allen, a master of fine arts degree candidate in design at SMU. Allen designed the stage sets, composed the music for FM synthesizer, and wrote the dialogue, which uses Chinese, French, Hindustani and some English.

ginning from the log. The two-day workshop will be held in the museum Edge Shop from 10 a.m. to 4 p.m. each day. Both beginners and experienced woodworkers are welcome.

Class members will learn how to select wood from the log and use a beetle and froe to rive out pieces. Instructor Curtin will teach participants to shape pieces with hatchet, draw knife and spoke shave, and fashion rake teeth and handle using a dowelling plate. Class members will use greenwood/drywood techniques to fasten each rake piece together permanently without glue or nails. Participants will bring home their completed work, a handcrafted farmer's rake built to last for years. The fee for the workshop is $45. for museum members, $50. for non-members. Class size is limited and reservations are required. To register call Diane Knight, Adult Tour Coordinator, at 746-1622.

lobby.

Paxton, contemporary singer-songwriter, performer and recording artist (26 albums), has been a leader among folk musicians since the early 60s. Like many other young artists he got his start in the coffee houses of Greenwich Village. He is probably best known for his ability and diversity as a songwriter. Love songs, songs of satire, songs of comment on social and political issues, children's songs - and songs on any topic from the rabbit "attack" on Jimmy Carter to the sorry plight of the environment - flow from his pen with astonishing speed.

Many of his songs have become well-known through other artists. In 1981 the Rovers' recording of Wasn't That a Party sold over one million records. John Denver popularized Forest Lawn and Whose Garden Was This? The Kingston Trio had a hit with Ramblin' Boy. Paxton's favorite composition, The Last Thing on My Mind, has been recorded by Neil Diamond, Glen Campbell, Joan Baez, and Dolly Parton and Porter Wagoner.

Livingston Taylor returns after having appeared at the Theatre's first "Island Night" in 1985. At sixteen, Liv moved to Boston, where

he built a following in the local coffee houses and universities. In 1968 he released the first of two Capricorn albums produced by Jon Landau, "Livingston Taylor", followed by "LIV" in 1971. The third Capricorn album was produced by Ed Freeman, released in 1974.

Livingston toured extensively, both as top bill, and opening for Jethro Tull, Linda Ronstadt, and Air Supply. In 1978 he joined with Charles Kippelman and made two records for the Epic label, "Three Way Mirror", and "Man's Best Friend" (1980).

As a singer, Livingston has appeared on all the major talk shows, including David Letterman. In the fall of 1984 he hosted the nationally syndicated show "This Week's Music", with guests like Cyndi Lauper and Tina Turner. With that behind him, he has turned back to the concert and recording world, with an album due out in the spring of 1987.

Kate Taylor, Livingston's sister, will be making one of her first appearances following a five year retirement from the stage. Having performed on concert tours nationally, she has 3 albums to her credit.

Acushnet Saw Mills has served as sponsor for all three "Island Night" benefits. As in the past, they encourage all patrons to come dressed in their island best; Hawaiian shirts, straw hats, sandals, shorts, etc. Those in attendance will also receive a free commemorative "Island Night" poster.

Where A Good Name Means A Great Deal

Director's Choice will be on display May 8 through 25 at The Glass Museum, located at 50 North Second Street in New Bedford's waterfront historic area. Proceeds from the exhibition benefit The New Bedford Glass Museum.

Objects selected by the Museum's curator include an especially fine American art nouveau armoire circa 1885; an ornately gilded Mt. Washington "Crown Milano" thorn-handled vase; a selection of Victorian jewelry; 18th century miniature portraits on ivory; engraved Pairpoint liquor glasses; and English reproductions of an 18th century glass toy, the "flip-flop". The approximately 70 pieces of silver, jewelry, porcelain, furniture, and glassware will all be checked for authenticity of date and attribution by the Museum's curatorial staff.

The exhibition opening will culminate five months of research and selection that have gone into Director's Choice. Objects have been assembled from three states and England. "We wanted to bring together a choice but diverse selection of antiques, in the hope that our audience will be both informed and stimulated to collect

Thornton W. Burgess Society

"A-MAYING"

Come to Sandwich Village on Sunday, May 3rd, and join Peter Rabbit in a spring parade as the Thornton W. Burgess Museum holds its annual May Day Celebration. Here is a second chance to show off your Easter finery and be chosen Queen or Prince of the May!. Stay for the big balloon release, live animal storytime, Maypole dances, and folk dance lessons.

Festivities at the Museum begin at 1 p.m. and continue until 4 p.m. The parade starts at 1:30 p.m., the balloon release at 2:00, followed by the storytime, and folk dances lessons at 2:45. Registration of $1.50 for Burgess Society members, $2. for non-members includes participation in Peter's parade, a balloon for release, and storytime. Dance lessons are free for all. Twelve Spring Sprites will perform a tradi-

Ashumet Holly Reservation

SPRING OPEN HOUSE AND PLANT SALE

It's finally spring -- and time for the Annual Spring Open House and Plant Sale at Massachusetts Audubon's Ashumet Holly Reservation in East Falmouth. The Open House is on Saturday, May 9th, from 10 a.m. to 3 p.m., and admission is free.

Activities will include a lecture, "All About Herbs", by Constance T. Sutherland at 10 a.m. and a slide show on "The Hollies of Ashumet" by Elwood O. Mills, Director of the Sanctuary, at 11 a.m. Guided walks of the grounds will be held at 11:30 a.m. and 1:30 p.m. Refreshments will be available.

The Annual Open House is a good day for a spring walk and a good time to buy a gift for Mother's Day. Annuals, perennials, herb plants and holly bushes will be for sale. The Ashumet Gift Shop features a variety of hand-made gift items including herbal wreaths, spring home decorations, dried herb gourmet mixes and Pairpoint Cup Plates.

Lloyd Center

MATES PROGRAM

The Lloyd Center for Environmental Studies in South Dartmouth announces its spring schedule for the MATES Program. MATES (Marine and Aquatic Teacher Enrichment Series) is an ongoing series of special opportunities for teachers and youth leaders interested in increasing their knowledge of the marine and aquatic environments in southeastern New England and in developing new and innovative methods of hands-on classroom teaching. Two workshops are being offered this Spring: "Marine & Aquatic Activities for the Classroom" and "Creating Your Own Field Equipment". Interested individuals may take one workshop or participate in the complete series.

"Marine and Aquatic Activities for the Classroom" is being held on Saturday, May 2nd, from 10 a.m. to 4 p.m. Marine science, the study of the coastal zone, can be the medium for teaching many scientific concepts and techniques. A field trip to the coast may be a costly expense and may not be practical for your students. A lack of field trip funds does not mean your students cannot gain exposure to the marine environment. Through hands-on activities and live demonstrations, the ocean can be brought into your classroom. These activities can also serve as introductory activities before a trip to the shore, or as a follow-up lesson after a coastal field trip. Join us May 2nd as Lloyd Center School Program staff discuss and demonstrate a series of marine activities for use in the conventional classroom. Activities will be applicable to students in grades 4-12 and will cover such

topics as plankton, animal behavior, effects of tides and waves, water chemistry and density, sand types, and beach erosion. Workshop participants will have the opportunity to try many of the activities and will discuss setting up and maintaining a salt water aquarium in the classroom. Samples of curriculum guides, teaching aids, micro-computer software and textbooks will be available for review. "Marine & Aquatic Activities for the Classroom" is open to the public; the fee is $20. for members and $25. for non-members.

"Creating Your Own Field Equipment", another Teacher Enrichment Series Workshop, is to be held on June 6th from 10 a.m. to 4 p.m. The instruments needed for a dynamic educational experience in the marine environment are simple and easily created using low cost and easily obtained materials. Join us in creating a set of oceanographic tools for your classroom; equipment building will include construction of water samplers, sieve sets, beach profile tools, transects, quadrants and hydrometers.

Call Sandi or Amy at 990-0505.

YWCA

TRIBUTE WILL HONOR WOMEN & INDUSTRY

The public is invited to the YWCA's third Tribute to Women and Industry Thursday, May 7th, at 6 p.m. at White's of Westport. The Tribute dinner honors women who have achieved excellence, and the organizations that foster their achievement. A woman of the year also will be announced at the Tribute Dinner. Dinner tickets are available for $20. each. Call the YWCA at 999-3255 for details.

SEA GEAR

HIGH PERFORMANCE FOULWEATHER GEAR

NORTHEASTER

This extremely tough, durable and waterproof suit is produced from a PVC vinyl coating bonded to a nylon tricot. All seams are first sewn and then electronically welded, the most waterproof seam system available today. Designed for extreme weather conditions to remain totally dry.

JACKET FEATURES:

- 2-pc. hood with corduroy trim around the face for comfort. Hood includes visor brim, and drawstring adjustment with spring locks.
- Double outside storm flap with 1" Velcro™ closure. Neck is secured with nickel plated non-corrosive brass snaps.
- Heavy-duty YKK Delrin #8 zipper.
- Two large patch pockets with waterproof envelope openings and watertight Velcro™ closures.
- 1" Velcro™ arm closures. They are adjustable to secure cuffs snugly. adjust sleeve length, and keep the water out.

PANT FEATURES:

- Chest high bibs feature stretch cotton suspenders with suspender separator that keeps the straps where they belong — on the shoulders. Quick release Fastex® clips.
- Extra long and wide Velcro™ adjustable closures secure cuffs snugly, adjust length of the pant, and keep water out.
- Bib pants feature elastic side adjustments at the waist.
